David Rockefeller, Esq.
30 Rockefeller Plaza
New York 20, N. Y.

Dear David:

Ham Armstrong has told me of your generous contribution to FOREIGN AFFAIRS, and I want to add my work of thanks to the one he has already sent you. I understand that this, with other contributions, will clear the current arrears and I know what a relief this will be to Ham.

Looking forward to seeing you when you are next in Washington, I remain

Sincerely yours,
